

EAGLE OCEAN MARINE CIRCULAR

AUGUST 01, 2018

TO ALL INSURED AND BROKERS

Dear Colleagues:

MANAGEMENT NEWS

Eagle Ocean Agencies, Inc. is pleased to announce that Sebastian Tjornelund has been appointed Business Development Director for Eagle Ocean Marine. As many insureds, their brokers and EOM's other friends will already be aware, Sebastian has been involved in the marketing of EOM for several years prior to his promotion to this expanded role. His responsibilities will include building on EOM's existing world-wide network of producers and other business associates in order to further grow its industry footprint over the years ahead.

At the same time, it is equally pleasing to report that Simon Collins has recently been recruited as a consultant to Eagle Ocean Marine's management team. Simon is a well-known and highly-regarded industry figure, and brings a wealth of experience to EOM. His more than 35 years in the business, spanning every aspect and discipline of marine insurance, has given him an especially broad knowledge of the market, most recently in the senior management of a major player in the fixed premium P & I space. His services as consultant to EOM will add considerable impetus to its further global outreach.

Insureds and their brokers will also be interested to learn that, having recently completed another year of steady growth and solid profitability, Eagle Ocean Marine has renewed its reinsurance program for twelve months from July 1 on favorable terms with the continuing support of its coventurers at Lloyd's.

Its consistently strong operating performance, together with an established reputation for service excellence, augur well for EOM's continuing success over the years ahead.

Yours faithfully,

Joseph E.M. Hughes, Chairman & CEO
Eagle Ocean Agencies, Inc.
