Insureds and their brokers are reminded that certain key information must accompany all notices of wire transfer payments so as to ensure the prompt, proper and efficient allocation of funds received by EOM.

The information required is as follows:

- The date and identifying number of EOM's invoice(s) in respect of which the payment is being made.
- The identity of the Insured/Business Group and/or vessel(s) in respect of which the payment is being made.

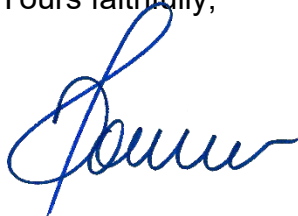

One Battery Park Plaza, 31st FL., New York NY 10004, USA

- In the event of the payment of multiple invoices and/or in relation to multiple Insured/Business Groups, the exact amount to be allocated and applied to each specific invoice must be indicated.
- In the event of deductible payments, EOM's claim reference number.

A reminder that all notices of payment should be sent by email to accounts@eagleoceanmarine.com along with the precise details of the account to which the wire/telegraphic transfers to EOM are being made.

EOM recommends that Insureds and their Brokers take note of this information and be guided accordingly and that their patience and cooperation is appreciated as EOM have transitioned accounts in accordance with standard corporate compliance procedures.

Yours faithfully,

Dorothea Ioannou, CEO
